C3 Church is a Heart for Ohio church and we receive a \$25 discount off the cost of registration for all kids camps. The Ohio KidMin website says \$285 for Kids Camp and \$140 for Starter Camp but that's for general registration.

Using the C3 Camp Codes allow families to receive the discount during the registration process. This discount is applied automatically during the checkout process. Camp Codes also allow all C3 Kids to be roomed together so they can be with their friends.

Kids Camp spots fill fast! Register and Reserve your spot for \$50 and pay the rest by the deadline. This allows you time to make partial payments if need be. The \$50 hold is not extra and comes off your total balance.

Scholarships are available if needed. Please email kids@myc3church.com for more information.

Financial Assistance is also available through the Ohio KidMin website. To fill out the application please visit <https://ohiokidmin.com/kids-camp/> This is a separate process from C3 Church.

Rooming

If campers attend the same week as C3 Church they will be grouped together, boys and girls are separated in different cabins.
